County Boards of Health—Powers and Duties. (Chap. 133, Act Mar. 11, 1915.)

SECTION 1. That section 250 of the Revised Political Code of 1903, as same was amended by chapter 110 of the Session Laws of South Dakota of 1913, be and the same is hereby amended to read as follows:

SEC. 250. The several county boards of health shall have power within their respective counties, subject to the supervisory control of the State board of public health and medical examiners, to:

1. Enforce any and all needful rules and regulations made by the State board of public health and medical examiners for the prevention and cure, and to prevent the spread of contagious disease.

2. Establish quarantine and isolate any person afflicted with a contagious or infectious disease.

3. Remove or cause to be removed any dead, decaying or putrid body, or any decayed, putrid, or other substance that may endanger the health of persons or domestic animals.

4. Appoint all duly licensed physicians within the county deputies with powers to quarantine any and all cases of infectious, contagious, or communicable diseases, which are now subject to quarantine pursuant to the rules and regulations of the State board of public health and medical examiners, heretofore or hereafter adopted. That for all services rendered in quarantining, as aforesaid, said deputies shall be entitled

to the sum of \$1 for each premises so quarantined. The said county board shall also have authority to delegate to any person or physician within the county the power and authority to release quarantine, under the supervision of said county board, to fumigate premises and to do any and all other things that may be necessary to protect the health of the public.

SEC. 2. That section 252 of the Revised Political Code of 1903, as the same was amended by chapter 110 of the Session Laws of South Dakota of 1913, be and the same is hereby amended to read as follows:

SEC. 252. The president of the county board of health shall receive no other compensation than that which is provided for. He shall receive 5 cents for every mile actually and necessarily traveled in the performance of his duties as a member of said board. The superintendent of the county board of health shall receive 20 cents for every mile actually and necessarily traveled, by the nearest route, in the performance of his duties and when not the attending physician, which mileage shall be in lieu of all compensation of traveling expenses; that said superintendent or the vice president of the county board of health, if he performs the duties of the superintendent, shall receive such other sums as the board of county commissioners may allow: *Provided*, That for each investigation, visit, or examination necessarily made under the provisions of the rules and regulations adopted by the State board of public health and medical examiners and approved by the attorney general, and when no investigation, visit, or examination has been made by any other member of the county board of health or any deputy appointed under the provisions of this act, the superintendent of the county board of health or the vice president, if he performs the duties of the superintendent, shall receive the sum of \$5. The superintendent shall also receive the sum of \$5 per month for making the daily reports and keeping the records of his office as required by the rules and regulations of the State board of public health and medical examiners, and he or the vice president, if he performs the duties of the superintendent, shall further receive such other sum or sums as he may pay or become liable to pay for medicine, chemicals, drugs, or appliances in carrying out and performing the various duties imposed upon him by law, which together with other expenses shall be audited by the board of county commissioners and paid as other county expenses.

SEC. 3. Any superintendent or vice president of the county board of health, or any deputy appointed under the provisions of section 1 of this act, failing to quarantine any and all cases of infectious, contagious, or communicable diseases, which are now or may hereafter be subject to quarantine, pursuant to the rules and regulations of the State board of public health and medical examiners, when they shall have actual notice thereof, shall be deemed guilty of a misdemeanor and upon conviction thereof be fined in any sum not exceeding \$100.
